CFA LEVEL II · NOV 2026 | CO-FOUNDER & CFO · (KALM) | BBA FINANCE · NMIMS MUMBAI | CFA LEVEL I · PASSED

PROFILE

Finance graduate (BBA, NMIMS Mumbai, 2026) and CFA Level II candidate who likes analysis best when it turns into something real. Co-founder and CFO of **(kalm)**, a contractor marketplace, where I also lead the tech build; before that, tax and transfer pricing at **Kalyaniwala & Mistry LLP** plus a venture and freelance work taken from zero to paying clients. Next: an MSc in Finance and work across valuation, markets and strategy.

EXPERIENCE

Co-founder & CFO · (kalm) LIVE — Sep 2026 – Present

- Own finance and, in practice, lead technology too: architecture, build and deployment.
- Launched with **20** live users; free to use while we grow the base ahead of monetisation.

Freelance Web Developer · Northstar Web — Jun – Sep 2026

- Freelance web work: scoped, built and launched **3** live client sites for local businesses.

Finance & Strategy Associate · Gateway Metal Industries — Apr – Aug 2026

- Supported the MD on financial planning, costing and working capital for a precision metals maker.
- Applied EOQ modelling to inventory, projecting a **22%** cut in holding costs; process-mapped the production floor and traced **3** of **5** defect types to one upstream cause (Ishikawa).

Tax & Financial Analyst · Kalyaniwala & Mistry LLP — Jun 2024 – Aug 2025

- Filed **6** income tax returns end to end, including Form 3CB.
- Supported transfer pricing studies for Capgemini and DME India, benchmarking intercompany transactions at arm's length.

Founder & Managing Director · Apex Entertainment — 2022 – Jun 2024

- Bootstrapped a nightlife events business with full P&L ownership, vendor and venue contracts, and a team of **17–18** across **~20** events.
- Structured exit; it has since scaled to **₹1.2 Cr** revenue and **100+** events internationally.

SELECTED PROJECTS

ITC Limited · DCF & equity valuation
Three-statement model with FMCG peer comps. Buy at **₹420** (**~14%** upside), robust across **10–13%** WACC.

Direct equity portfolio
Thematic book (BEL, Mazagon Dock, ICICI, Dixon): **~18%** in 9 months vs Nifty 500 **~11%**.

TMC combination trading strategy
RSI + MACD with macro filters: **62%** win rate, **1:2.1** R/R, **8%** max drawdown in backtest.

BioWay Technologies · business plan
Bio-bitumen startup: TAM and 5-year model. Break-even year 3, **~42%** gross margin, **26%** IRR.

Financial planning · Ranganath case
Dynamic model across PPF, SIP, retirement and home loan: **₹3.2 Cr** by 60 on a **₹25k** SIP.

CFA study platform
965-question adaptive platform across all 10 Level II topics; adopted by faculty for the full batch.
